INTERACTIVE SHEET FOR NOTES

Reading alone won't help you understand the actionable notes. You need to engage with the content. Answer the question below (just type inside the boxes) to outline your future steps:

1. What type of decisions you most often postpone?
2. Where do you want to go? What's your long-term goal?
3. What type of activity, interaction, is messing with your self-control?
4. Think about recent setbacks. How can you prevent those?
5. Who can help you stay on track with your goals?

Don't forget to save your changes.
