INTERACTIVE SHEET FOR NOTES

Reading alone won't help you understand the actionable notes. You need to engage with the content. Answer the question below (just type inside the boxes) to outline your future steps:

1. What type of values do you want to teach your kids?
2. Write down 10 things your spouse loves:
3. What is your area of expertise?
4. How can you position yourself as a more credible person?
5. How can you help people to be better?

Don't forget to save your changes.
