## INTERACTIVE SHEET FOR NOTES

*Reading alone won't help you understand the actionable notes. You need to engage with the content. Answer the question below (just type inside the boxes) to outline your future steps:*

1. What excites you and what drains you? Focus on the former.
2. Ask your current customers for feedback. What can be improved?
3. What kind of business you can start with only \$1,000?
4. Observe your current plan. Can it be adjusted to satisfy you real customers?
5. What will you do if your competitors get better than you?

*Don't forget to save your changes.*
