Reading alone won't help you understand the actionable notes. You need to engage with the content. Answer the question below (just type inside the boxes) to outline your future steps:

1. What do you see when you type your name in Google?
2. What kind of change do you want to see in the world?
3. What can you do about it?
4. What's different about you?
5. What kind of emotional labor you can do to create your own job?

Don't forget to save your changes.
