INTERACTIVE SHEET FOR NOTES

Reading alone won't help you understand the actionable notes. You need to engage with the content. Answer the question below (just type inside the boxes) to outline your future steps:

1. What can you do to make a change in the world?
2. What kind of business you can build around that thing?
3. Can you start a business that will be around a decade from now?
4. What type of business you can build to dominate a specific niche?
5. What things/tasks are stopping you from starting?

Don't forget to save your changes.
