Reading alone won't help you understand the actionable notes. You need to engage with the content. Answer the question below (just type inside the boxes) to outline your future steps:

1. How can you be better than yesterday?
2. What can you do to positively influence people's lives?
3. What change you want to make in the world?
4. What are you going to do and how are you going to do it?
5. Think of people who can help you transform your dream into reality:

Don't forget to save your changes.
