## INTERACTIVE SHEET FOR NOTES

*Reading alone won't help you understand the actionable notes. You need to engage with the content. Answer the question below (just type inside the boxes) to outline your future steps:*

1. Try different things and record your experiences to find your one thing:
2. What's your field? What new tactics you can learn to improve?
3. Keep track of what tends to work and what doesn't:
4. To expand your range, do things different from what you're already doing.
5. What still doesn't exist that will help you get where you want?

*Don't forget to save your changes.*
