INTERACTIVE SHEET FOR NOTES

Reading alone won't help you understand the actionable notes. You need to engage with the content. Answer the question below (just type inside the boxes) to outline your future steps:

1. Search for diverse sources of info that can give you a fresh perspective.
2. Just found a new source of info? How much of it is noise?
3. Always test a theory before putting it into practice.
4. What's the worst that could happen in a situation?
5. What will you do if the worst happens?

Don't forget to save your changes.
